Chapter I Description of HEFEI

a. Location

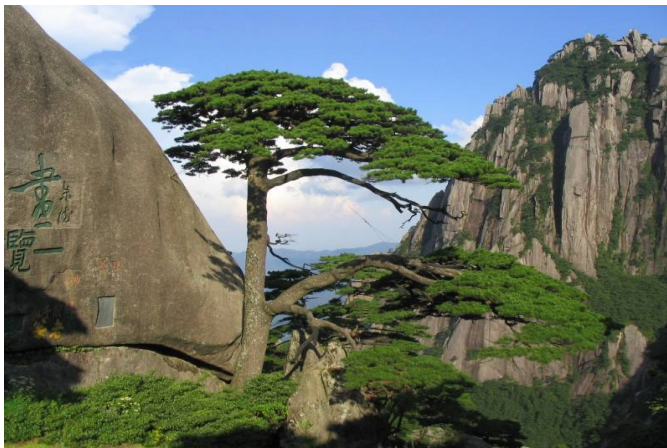

HEFEI is the capital of ANHUI Province in Eastern China and hometown of the famous honest and upright official in Chinese history——BAO ZHENG, featuring a landscape of half mountain and half lake. HEFEI is a prefecture-level city, it is the political, economic, and cultural center of ANHUI. Located in the central portion of the province. HEFEI is known as “a modern garden city”and “the most suitable city for people to live in”.

Hefei has several districts,such as

- *Hefei Economic Development Zone
- * Luyang District
- *Shushan District

HEFEI is the center of ANHUI, and there are lots of mountains, such as Yellow Mountain, JIUHUA Mountain and so on.

There are fifth largest freshwater lake—CHAOHU also in ANHUI. Besides, there has some other views here, like XiDi country and so on. The people are very friendly. Welcome to our ANHUI.

b. Culture

Bao Zheng (999–1062) was a much-praised official who served during the reign of Emperor Renzong of Northern Song Dynasty in ancient China. Culturally, Bao Zheng today is respected as the symbol of justice in Greater China. Throughout history, his largely fictionalized stories have appeared in a variety of different literary and dramatic genres, and has enjoyed sustained popularity.

XiaoYaoJin Park

Located at the northeastern corner of Hefei old urban area, Xiaoyaojin Park is a multi-function park with various service facilities, pleasant environment and beautiful scenery. It was an ancient battlefield in the Three Kingdoms Period and regarded one of the top 10 scenic spots.

Li families' residence covered

the half of the flourishing Huaihe Street and was called “ Li families’ half street” at that time, of which the former residence of Li Hong zhang was only one part. The residence’s characteristic lies in orderly distribution, precise structure and exquisite carvings. Covering an area of 3,500 square meters,

the residence is divided into east and west courtyard. The west courtyard from south to north consists of the gate, antechamber, main hall and boudoir. The east courtyard displays the Huai Bloc’s Exhibition now.

Sanhe Ancient Town

Sanhe (Three Rivers) Town is located on the Hefei-Huangshan-Jiuhuashan golden tourist route, 40km from the city proper of Hefei. Its present name was derived from the fact that the three rivers---the Fenge River, Hangbu River and Xiaonan River intersect here. The town boasts a history of more than 2500 years, covering an area of 4.71km² with a permanent population of 30,000. It is a typical "ancient town full of rivers and lakes, together with small bridges, flowing water and local dwellings."

Hui Garden is located in Hefei Economic and Technological Development Area, to

the west of Expressway, to the Avenue, facing Square and Anhui on the east, University District close to Children

Hefei-Anqing north of Fanhua Bright Pearl Exhibition Center bordering the on the west and Palace which is

located in the other side of the street. The overall layout of Hui Garden is based on the basic structure of Anhui's administrative distribution. The Yangtze River and Huai River run through the garden. The northern Anhui adopted the style of imperial garden, while the southern Anhui incorporates the garden philosophy of Hui style landscape with emphasis on water and lake scenery. With a number of the province's famous scenic attractions dotting throughout the garden, after visiting it, travelers and visitors would have the impression of the province's landscape ranging from the north to the south. The rich and colorful artistic charms of central Chinese culture represented by Northern Anhui, the Yangtze River and Huai River culture represented by Central Anhui and Hui Culture represented by Southern Anhui would have eye-catching appeal to those who visit the garden.

Cuisines of ANHUI

Our province has many cuisines. ANHUI Food is one of the most representative, this is one of eight Chinese Dishes. Welcome to our province. I will invite you for free. Anhui cuisine is known for its use of wild game and herbs, both land and sea, and comparatively elaborate methods of preparation.

Lobster and Beer

c.Climate

Hefei features a humid subtropical climate with four distinct seasons. Hefei's annual average temperature is 15.83 °C (60.5 °F). Its annual precipitation is just under 1,000 millimetres (39 in), being heavier from May through August. In the months of June, July, August, and often September, daily temperatures can reach or surpass 37 °C (99 °F) with high humidity levels being the norm. Autumn in Hefei sees a gradual cooling and drying.
